FAMILY FUN

Cuyahoga County Fair

To call the Cuyahoga County Fair a local tradition would be an understatement given that it's now in its 123rd year. This year's incarnation will feature the Swifty Swine Pig Races, midway rides and three nights of fireworks. Up-and-coming country singer Ashley McBryde is slated to perform, and there will be truck racing and a demolition derby. The fair runs through Aug. 11. Check the website for hours and ticket prices as well as a complete schedule of events.
